Yes, I can do this from the car. Let me know exact time; I presume it is not an hour? I have an event that ends at 330 and will be in the car.

Do you want to speak to NEWMOA Board tomorrow at 4 pm by phone regarding our upcoming PFAS event?

Deb – Please see a follow-up quest from Terri. The thought would be to have someone from EPA join us by phone at 4 pm to discuss the upcoming event in NH.

Chuck-

Does Deb or Alex want to join us for the PFAS discussion tomorrow afternoon, particularly to talk about the upcoming event in NH?

I did see Alex this morning and asked her if she planned to join us. She said her scheduler has been on vacation so my emails fell through the cracks. I told her that I would share our agenda.

Deb – It was great seeing you in DC at the PFAS summit. I was wondering if you would be able to help me. We, myself as the NEWMOA chair and Terri Goldberg, executive director were hoping we could get Alex Dunn at our Board meeting in Portland tomorrow. See email below from Terri. We have not heard back which sounds like a no. I was hoping that you could confirm whether or not she will be able to attend.

Thanks.

Chuck

Alexandra-

I wanted to follow-up on my emails below to see if you have made a decision about whether you can join the NEWMOA Board next week in Portland, Maine on Thursday afternoon for our meeting and for dinner in the evening. Attached is the latest meeting agenda. We would particularly welcome your participation in the 4:00 discussion on PFAS and the upcoming event in New Hampshire. If you are unable to join us in person, we are making accommodations for people to join us by webinar and would offer that.

Please let me know about your thoughts on this so we can plan accordingly.  
Thank you so much.

Terri

Alexandra-

I wanted to follow-up on this invitation to see if you have been able to review your schedule and clear some time to join us on the 14<sup>th</sup> in Portland, ME. We have set aside time at the end of our meeting on June 14 to discuss PFAS and the upcoming June 25-26 event in NH. See attached draft Board meeting agenda. We would love to have you join us for that discussion and then have dinner with us. So far we have a good turnout of state officials for the meeting. We are still working on a location/reservation for dinner. Lots of good choices in Portland.

Let me know.

Terri

Alexandra-

Great seeing you on Wednesday night at the Environmental Business Council event. I appreciated hearing your remarks. As I mentioned, the NEWMOA Board of Directors would like to invite you to join them in Portland, Maine during their Board meeting on June 14. The Board consists of the waste and pollution prevention program directors from the New England states, New York, and New Jersey. This includes the hazardous waste, solid waste, waste site cleanup, P2, UST, emergency response, and toxics reduction programs. I can provide you with a list of the attendees as far as we know. We were hoping you could join us toward the end of the meeting and then stay to have dinner with the Board. We will be meeting at the Westin Portland Harborview Hotel. Honestly, the dinner is the best and sometimes most productive part of the meeting. We are still picking a restaurant. I know you are extremely busy, but we would love to have you join us. Thank you.

Terri Goldberg, Executive Director  
Northeast Waste Management Officials' Association
